NOTES

Hospital network

The name of the provider network applicable to your cover is indicated on your personal Access Card and a list of the medical providers included in your network was issued with your membership pack.

Your provider network includes a large number of clinics/hospitals and pharmacies that have contractual arrangements in place with us. Upon presentation of your Access Card each of these clinics/hospitals and pharmacies will provide their services and products without seeking immediate payment from you, unless the prescribed treatment is specifically excluded under your policy.

Please note that under some benefits, cover may be available on a reimbursement basis only, i.e. you will have to pay for eligible treatments and then complete and submit a Claim Form. For further details, please refer to the 'Getting treatment' section of your Employee Benefit Guide.

Pre-authorization

For certain benefits listed in your Table of Benefits, you are required to submit a completed Pre-authorization Form in advance of receiving your treatment. Following approval by us, cover can then be guaranteed. In the Table of Benefits, benefits which require pre-approval through submission of a Pre-authorization Form are indicated by either a **1** or a **2**.

If you choose to be treated within your provider network, then your medical provider will automatically deal with us directly for Pre-authorization, where necessary.

However, where you choose to be treated outside of the provider network, you will need to ensure that you contact us for the necessary Pre-authorization. Full details of our Pre-authorization process are provided in the Employee Benefit Guide issued at policy inception. Please note that:

- If Pre-authorization is not obtained for the benefits listed with a **1**, we reserve the right to decline a claim. If the respective treatment is subsequently proven to be medically necessary, we will pay only **80%** of the eligible benefits.
- If Pre-authorization is not obtained for the benefits listed with a **2**, we reserve the right to decline a claim. If the respective treatment is subsequently proven to be medically necessary, we will pay only **50%** of the eligible benefits.
- In the case of an emergency, you don't need to submit the Pre-authorization Form in advance but we should be informed within 48 hours of the event to ensure that no Pre-authorization penalty apply to your claim.

For further details please refer to our Benefit Guide, or simply contact our Helpline.

Chronic conditions

Chronic conditions are covered within the limits of the selected plan during the Insurance Year.

Pre-existing conditions

Pre-existing conditions are covered within the limits of the selected plan during the Insurance Year.

Benefit limits

There are two kinds of benefit limits shown in the Table of Benefits. The **maximum plan benefit**, which applies to certain plans, is the maximum we will pay for all benefits in total, per member, per Insurance Year, under that particular plan. Some benefits also have a **specific benefit limit**, which may be provided on a "per Insurance Year" basis, a "per lifetime" basis or on a "per event" basis, such as per trip, per visit or per pregnancy. Where a specific benefit limit applies or where the term "Full refund" appears next to certain benefits, the refund is subject to the maximum plan benefit, if one applies to your plan(s). All limits are per member, per Insurance Year, unless otherwise stated in your Table of Benefits.

Policy terms and conditions

Your Table of Benefits outlines the cover offered under your plan(s). Cover is subject to our policy terms and conditions, as detailed in our Employee Benefit Guide which is issued to members upon policy inception.

If you are based in Dubai, please note that your policy terms and conditions are also subject to the Dubai Health Authority requirements that may be changed from time to time.

Policy endorsement(s)

If there are any policy terms and conditions unique to your policy they will be listed below. Please read carefully in conjunction with our Employee Benefit Guide.

Certain services that may be included in your plan are provided by third party providers, such as the Employee Assistance Programme, Travel Security services, fitness app, Second Medical Opinion and tele-medicine services. If included in your plan, these services will show in this Table of Benefits. These services are made available to you subject to your acceptance of the terms and conditions of your policy and the terms and conditions of the third parties. These services may be subject to geographical restrictions. The fitness app does not provide medical or health advice and the wellness resources contained within Olive are for informational purposes only. The fitness app and the wellness resources contained within Olive shouldn't be regarded as a substitute for professional advice (medical, physical or psychological). They are also not a substitute for the diagnosis, treatment, assessment or care that you may need from your own doctor. You understand and agree that the insurer, its reinsurers and administrators are not responsible or liable for any claim, loss or damage, directly or indirectly resulting from your use of any of these third party services.
